Students' Responsibility:

Students are expected to follow all of the school's rules and be on their best behavior. During class, they must actively participate and are expected to answer and ask questions. Homework must be turned in on time and fully completed to the best of their ability.

Parents' Responsibility:

Parents must be supportive of their children. Their children will be challenged, as learning a new language is not an easy task. Parents should help their children as needed, and monitor their progress to ensure that they are learning. Also, please make sure your children are doing their homework and turning it in on time.

Please get your children to class on time and give me an early notice if they are going to be absent. At home, if possible, talk with your children in Chinese, as that will help to build their ability to communicate in Chinese.
